2. Act with integrity
3. Provide financial advice which is suitable for you
4. Protect your privacy and confidential information
5. Maintain the competence and skill to deliver advice in our area of expertise
6. Maintain the ethical and behavioral standards required by our professional body (Financial Advice NZ) in addition to the duties of care required by NZ law. Well...laws (plural) actually. There are quite a few of them that apply to us and we try to make sure we are ahead of all of them.

Disciplinary history you should be aware of:

Nil. Zero. Null.

There have been no professional indemnity insurance or negligence claims, disputes resolution actions, or disciplinary actions.

Costs of Advice:

Any remuneration arrangements will be negotiated directly with every potential client before any engagement with that client is agreed to. We may charge fees AND commissions depending upon the scope of the engagement agreed to by a client.

Fees:

Fees payable directly by the client to On Point upon invoice for planning or consultation work may be applicable. Fees are charged for expertise and opinion, not for product placement or "brokering", unless requested by a client and agreed to by On Point Financial Advice Ltd.

An estimate of fees for any particular engagement can always be provided in advance, and if necessary we can agree in advance to a fixed price for an engagement. If fees are to be paid, then

- The hourly rate charged is \$275 (+GST)
- Terms of payment are payment within 7 days of invoice, with direct credit to the bank account of On Point Financial Advice Ltd.
- Cash or barter are not accepted as means of payment.

Commissions:

When implementing (or brokering) a group or personal insurance product our preference is to be paid via brokerage, or commission, as this results in no direct fee payable by the client and On Point Financial Advice Ltd only receives payment from an insurer if we are successful in placing business which the client is happy with.

The gross amount of commission payable to On Point Financial Advice Ltd on any particular recommendation will be disclosed specifically prior to implementation of any product or plan.

As a general indicator of the range of commissions which may be paid, On Point Financial Advice receives standard commission terms from all insurers (there no preferential terms over and above any other adviser in the market), which are:

- Group Insurance Products typically up to 20% x the annual premium, continuing to be paid annually
- Personal Insurance Products typically up to 220% x the first years premium paid by a client, with an ongoing commission typically of 7.5%-10% of the annual premium

Conflicts of Interest:

We have no financial interest in any insurance company or any other general conflicts of interest in forming a professional opinion or delivering financial advice.

There are no material conflicts of interest to disclose in the form of incentives, as we do not participate in insurer-funded conferences or entertainment or functions as a rule, or any sales campaigns or similar incentives.

We will accept an occasional glass of wine or a cup of coffee from an insurance company representative of course, however these are immaterial and engender no particular warm feelings towards any particular insurer.

Should any actual or potential conflict of interest arise during any engagement with a client we will bring that to your notice promptly, and then seek to manage or avoid the conflict if at all possible. If management or avoidance of a conflict to your satisfaction is not possible then we will resign from the engagement with you and professionally assist with the appointment of a replacement and more suitable adviser.

Conflicted Remuneration Note:

- All fees and commissions are paid to On Point Financial Advice Ltd
- On Point Financial Advice Ltd uses all gross revenue to pay the operating expenses of running a compliant professional business.
- On Point Financial Advice Ltd then has pays its' tax obligations on the "net profit" after costs.
- What's left, if any, is available to Letisha Tan as the sole shareholder and adviser as personal remuneration.
- Typically the potential conflicted remuneration for the Financial Adviser (Letisha Tan) amounts to between 35-50% of gross revenue in any given year.

What a client pays is not the same as what the Financial Adviser earns.

If your complaint cannot be satisfactorily resolved this way, it then becomes a dispute.

The Dispute Resolution process is:

1. In the event of a dispute you must notify us that the complaint is not resolved and is now a dispute.
2. We will confirm in writing our internal complaints process, likely timeframes, and our Disputes Resolution Scheme which you can access at any stage should you choose to.
3. Should we fail to handle the problem to your satisfaction within a reasonable time frame then the product providers themselves have internal complaints handling processes which you might wish to also access. This means that if we have used a particular product that is connected to the issue at Dispute, you can contact the company that issued that product and have them attempt to resolve the matter as well.
4. If these options fail to resolve the Dispute to your satisfaction, then you may take the matter to the Insurance and Financial Services Ombudsman Scheme, of which we are a member. We are bound by the outcome of that process. You can *choose* to be bound by the outcome but you can also choose to be free to pursue other legal avenues if you wish.

Their service will cost you nothing as we pay for it, and it can help us resolve any disagreements.
